

Hello Farmers Market Vendors,

We are excited about the 2017 Farmers Market season. We invite you to participate in the Chelsea Farmers Market and/or Bushel Basket Market this season. The goal of the markets is to provide a venue that will improve your financial success, as well as provide for healthy food access and education in the community.

We will be offering a Vendor Orientation on Wednesday April 12 in Gram's Hall of the First United Methodist Church (across the street from the Purple Rose Theater) from 6:30 pm to 8:00 pm. We will offer information about rules, food assistance programs, stall assignments, marketing, etc. This orientation is recommended for all vendors but not required. This will be a potluck, so bring a dish to pass around.

We are changing the location of the markets for this year only. The city will be renovating our usual Palmer Lot location to create a more walkable and parklike space, and we will be able to return to the improved site in 2018. However, this year we have secured two temporary locations.

The Bushel Basket Market will be held Wednesdays from 2:00 pm to 6:00 pm at the corner of M52 and Old US 12, in the Chelsea State Bank parking lot. Market will begin Wednesday May 3 and run through Wednesday October 25.

The Saturday Farmers Market will be held Saturdays, 8 am – 1 pm, in the parking lot of the Chelsea Library (on Park Street between the library and the church). It will begin Saturday May 6 and run through Saturday 28.

Season fees are \$240 for Chelsea Farmers Market and \$100 for Bushel Basket Market. Daily fees are \$12 and \$7, respectively. These fees reflect the advertising and entertainment costs agreed upon by both markets, as well as customer attendance rates.

Attached please find a 2017 Application for the Chelsea Farmers Market and the Bushel Basket Market.

Preference will be given to returning vendors (seasonal and daily) for market participation. If you are a returning vendor, please notify the market manager of your intention to participate in 2017 by February 28 in order to reserve your spot. All applications (returning and new) are due by April 15th.

Below is contact information for the Farmers Markets in the other 5 Healthy Towns. Please consider participating in these markets as well.

Hope to see you in the Spring, and please contact me with any questions!

Sincerely,

Stephanie Willette

Farmers Market Mission

The farmers markets will cultivate a commitment to quality local products and produce in a pleasant, easily accessible location by offering goods that will enrich our community through healthy food choices, social exchange and economic growth.

Operating Guidelines

Vendor and Products

1. Vendors must live in Michigan and produce their product in Michigan, unless they qualify for the exemption outlined in (a) and (b) below. When reviewing vendor applications, the Market Manager will give preference to those potential vendors living and/or producing within a 100 mile radius of Chelsea.
 - a) If a vendor wishes to sell an out of state product, (s)he must present to the Market Advisory Committee before being allowed to sell at market
 - b) The vendor must complete a two week probationary period at market during with a customer survey may be conducted. After two weeks, the Advisory Committee will vote on whether to allow the vendor a permanent space at market.
2. All produce/products offered for sale must be grown or produced by the vendor, except as noted in the section "Products Definitions and License Requirements". Reselling is prohibited. Only those product categories listed on the application and approved by the market manager will be eligible for sale. Vendors wishing to sell products not listed on original application should discuss with Market Manager.

Attendance

3. A season vendor is encouraged to notify the Market Manager if they will not be in attendance. Notification is requested at least 24 hours in advance, by email (coordinator@chelseafarmersmkt.org) or phone (616-734-9123). (This provides the Market Manager the opportunity to fill your stall with a daily vendor.)
4. A daily vendor must notify Market Manager at least 48 hours in advance of the day they wish to attend. (email: coordinator@chelseafarmersmkt.org cell: 616-734-9123) for advance approval.
5. Vendors are expected to remain open the entire length of the market day unless they have sold out of produce/product prior to market closing and are okayed by the Market Manager to leave early. An exception to this is inclement weather which may force the market to close early. **See Weather Policy below.**

Stalls and Signage

6. Vendors must provide their own tables, tents, bags or containers for produce/product and change for use. If a vendor wishes to borrow a tent, they must pay a \$7 rental fee for the day. If they wish to borrow a table, they must pay a \$4 rental fee.
7. Market stall will be a minimum of one (1) parking space wide (approx. 11' X 11'). Designated walkways must be kept clear.
8. Vendors **MUST** bring weights if they plan on setting up a tent. Each tent must have 4 weights, one for each leg, and they must be firmly attached. Weights must each be a minimum of 10 pounds to ensure the tent is properly anchored.

If a vendor does not have weights, they are not allowed to set up their tent for the day, although they may set up a table and display. As an alternative, the vendor may rent a tent with weights from the market for a fee of \$7. The market will not provide weights alone for liability reasons.

Damage to tents because of wind or other circumstances are the responsibility of the vendors and not the market, unless the tent is the market's property.

9. The following information must be displayed on a product label, on a small sign by the product, or on a larger display board.

The Farmers Market at Chelsea Community Hospital

- a) Name of vendor business. In lieu of a sign, the name can be displayed on apparel wore by all vendor personnel, such as hats or shirts.

10. Participating vendors must post the appropriate food assistance program signs provided by the Market, identifying them as an authorized vendor. **See Food Assistance Agreements.**
 11. Vendors requiring electrical service should see the Market Manager to determine availability.
 12. All bags distributed to customers holding food must be new, not used.
 13. The market highly recommends using a certified scale if weighing and selling product by the pound, although this is not required.

Stall Fees

14. Season vendors
 - a) For the Chelsea Farmers Market, vendors can purchase a season stall for a fee of \$240. A maximum of two season stalls can be purchased. Chelsea Farmers Market and Bushel Basket Market Vendor Grievance Form and Dismissal Guidelines

The Market Manager has the right to deny or restrict any vendor or vendor personnel's access to the market for failure to follow the Operating Guidelines. Problems, complaints or concerns must be directed immediately to the Market Manager. Any grievance that cannot be resolved between a vendor and the Market Manager may be submitted in writing to the Market Advisory Committee for settlement. Vendors who have disputes with each other are encouraged to work it out between themselves. If an arbitrator is needed, the Market Manager will act as, or supply, a neutral party.

If the grievance involves the growth, raising, creation or other production of a product, the grieving vendor will write the suspected violation and give it to the Market Manager along with a check for \$20.00 made out to the Market Manager to cover the cost of a site visit. If the grievance is supported (proved true), the check will be returned to the vendor who filed the complaint and the violation will be considered a first offense violation. In this case, the violation will be corrected by the next market day or will be considered a second violation. In the case that the grievance is not supported (proved false) the Market Master will retain the check.

The Market Manager shall take no more than two weeks to resolve grievances. If it is a violation of rules, the Market Dismissal Guidelines will be followed as outlined:

- 1) For a first offense of the market rules a vendor will be asked to correct the situation. If it is not corrected, they will be asked to leave by the Market Manager and the vendor will be allowed to return the following week.
- 2) A second violation of the market rules will result in a written notice from the Market Manager to the vendor that states that they will be suspended from the market for one month following the date of the most recent infraction. A continuation of an uncorrected violation from the previous market attendance will be considered a second violation.
- 3) If a third violation occurs again in the same market year, the vendor will receive a written notice from the Market Manager saying that they will no longer be able to be a vendor at either Market for the rest of the market season and that their name will go to the bottom of the list of potential vendors for the next market season.
- 4) A fourth violation of the rules, no matter when, will result in expulsion from the Market permanently.

The Markets strive to provide a fair and equal opportunity for all participants to sell and purchase only quality products at a fair and reasonable price. All vendors and the Market Manager have received a copy of the rules and understand the importance of their cooperation. The grievance procedure is in place to help insure this policy is followed.

If you feel a vendor or any other participant has acted in a way that harms the markets, please supply the following information:
